

*Dear [named Media Personalities in America]*

*For the last three years or so, I have been following your podcasts with great interest. I have learned a lot from you and your guests, for which I am most grateful. I admire your courage and determination to raise issues such as our own corrupt regime in the U.S., and, in particular, the invasion of millions of illegals into our country – and not to be forgotten, the bio-weapon “kill shots” enforced on us (in fact, I was fired from my job because I refused to take them!). And, in another horrible situation, not to be overlooked, is the extensive pedophilia and sex trafficking activities among politicians & others!*

*Equally frightening is the Left’s and the Marxists’ war against Christian conservatives and “white” males – all of which is contributing to the demoralization of our military and its transformation into a “Woke” military.*

*These issues, I believe, serve the Globalists’ push for wars, support for Big Pharma and the sharp decline in our education system. Further, it also serves the fake corrupt media and the Globalists’ deadly agenda against all humanity.*

*I appreciate your insight pointing at organizations, such as the ADL, which foment Jew hatred by their own appalling defense of the Left and their hatred of white Christians. In fact, a few weeks ago – before the October 7<sup>th</sup> massacre against Israel - I sent you a supporting letter to that effect.*

*But it pains me to share with you, but when it comes to Israel and the current war against the [Hammas] savages, **I strongly believe you are very wrong.** Even though I agree with some of your assertions, I think you will get a better understanding of why I believe that in the big picture you are wrong.*

*You say that **“Israel intel knew, and IDF stood down, to initiate a religious war exacerbated by American Christian Zionism.”** It is partially correct that some segments of the Israeli intel knew or at least didn’t care, it’s absolutely ludicrous to declare that **“Israel initiated this as a religious war exacerbated by American Christian Zionism.”** **It can’t be further from the truth.***

*Since the beginning of these Jihadists brutal attack on innocent civilians, I have been listening to many Israeli Intelligence experts in my own Hebrew language. The Left /Marxists in Israel (as is the case here in the US) have zero faith in G-d and nothing to do with American Christian Zionism. In fact, they despise this very special and valuable friendship between Christian believers and the Jewish people in Israel.*

*As a Jewish woman, a born Israeli who now has obtained US Citizenship, and one who cares deeply for the survival of humanity, I am also very disappointed with the Israeli government's decision to push the bio-weapons on its population, their close connection to Pfizer and other issues that lead me to believe that segments of the Israeli government may, in various ways, be aligned with the Globalists' agenda. It saddens and worries me a lot!*

*Equally, I am also very upset and disappointed because it seems that the Israeli Intelligence was not prepared and therefore did not prevent Hamas' infiltration into Israel's borders and the resulting atrocities on October 7<sup>th</sup>.*

*Having said that, I am sad to share that you lost my support since you keep disseminating your inappropriate reactions to Hamas' genocidal barbarity against Jews in Israel, while you fiercely attack Israel's rightful response by the IDF. I am still shocked and utterly disappointed that you spread misinformation or half-truths related to this disastrous carnage.*

*For example, you decline reporting that the Israeli IDF continuously calls on the Arabs in Gaza to leave their home, to flee to the South to prevent casualties. Yet, Hamas Jihadists prevent their Gazan residents from fleeing, either forcing them to return to their homes or they shoot and kill them.*

*You also decline reporting that, as of now, NO ARAB COUNTRY - such as Egypt – has agreed to grant refuge to their own Gazan neighbors. Hamas leaders, each worth \$billions, stay in luxury hotels in Qatar, leaving their populations destitute and with no basic sanitary conditions, such as water, food, or any other essential necessities. Did you know that until October 7<sup>th</sup>, and on a daily basis, many Gazans used to cross the border to work in Israel. I can send you ample amounts of concrete evidence regarding these important pieces of information. Only recently we learned that Hamas terrorists attacked IDF soldiers who were preparing a humanitarian corridor in northern Gaza.*

*You also demonstrate very little knowledge (if any at all) of Islam's ruthless political ideology, of Hamas or the PLO Charter calling for the annihilation of Israel and the Jews, of merciless Sharia Law, of the Muslim Brotherhood manifesto and their history (Hamas is the military branch of the Muslim Brotherhood), of the history of Islam (including its relationship to Hitler and the Nazis,), or the history of the Jews in the Middle East.*

*For example, did you know that in the early 1940s and later, around 800,000 Jews had been forcefully kicked out of North African Muslim-dominated countries, following the Muslims' pogroms - torture, murder and stealing Jews' properties - only because they were Jews?*

*You say that you are only against Zionists but not against Jews. The word Zion is mentioned in the Bible **152 times**. The Jewish people's aspiration towards the Land of Israel (Zion) is embedded in our consciousness. It is derived from G-d's Covenant with His people through the Torah and through the Land of Israel (Zion). When Jews were exiled into Babylon, Jews lamented and cried for a return to **Zion**.*

*Psalm 137: "**By the rivers of Babylon, there we sat, sat and wept, as we remembered Zion.**"*

*So why do you try to defy G-d's decree?*

*I wish Dr. Zelenko – may he rest in peace - was still with us to teach you a good lesson about Zion as the Land of the Jewish people. I know for certainty that he would agree with me.*

*I also encourage you to watch these remarkable US Marines' video singing. "**Out of Zion's Hills salvation comes...**" This sheds light on the significance of Zion.*

***U.S. Marines Sing "Days of Elijah" at Camp Pendleton – LOVE.***

*Now let me share with you a brief history of my 93-year-old mother who still lives in Israel. She and my father are both Holocaust survivors – both survived Auschwitz. In fact, a righteous Gentile woman named Edith helped my mother escape Auschwitz because the infamous **Dr. Mengele** arrived almost daily at her camp to find young girls for his sadistic medical experiments. My mother survived three other camps. She ended up being liberated from the last death camp, known as **Bergen Belsen**. At the time of her liberation, she lost consciousness and almost died.*

*But then she was taken to Sweden for rehabilitation. After almost three years in Sweden, she was given a choice on where she wanted to reside. She could have chosen any country or continent such as South America, the U.S, Canada,*

Australia, Europe, or stay in Sweden. She chose **Her Homeland – The Land that G-d promised to the Jewish people**. She didn't know a thing - from British Central Bankers to the Illuminati or the Globalists' agenda. Rather, growing up in an observant Jewish home, it had been ingrained in her since early childhood that **the Biblical Land of Israel is her home because it belongs to the Jewish people**. In Israel, she presumed to not being called “dirty Jew” anymore.

At last, she arrived in the Land of Israel, but the British (Mandate) soldiers kicked her – along with her **Haganah ship** - to a retention camp in Cyprus. (Please consider reading **Leon Uris'** book, **The Exodus**; my mother is one in the story of Exodus.) It was devastating to her, being in that Cyprus camp, since she was all alone, a 17-year-old teenager, and had nothing in her possession. Upon arriving in the Land, The British soldiers confiscated the little money she received in Sweden.

Please watch <https://www2.cbn.com/news/israel/british-christians-repent-broken-vows-israel-> **Haganah Ship** shown at 0:17 second. It is my mother's ship.

After a very harsh four months in the Cyprus Camp, she finally received a certificate to enter Israel. She was immediately taken to a religious Kibbutz where, for three weeks, she was taught in Yiddish how to use a gun and from there was transferred to fight in the Independence War of 1948 around Jerusalem and in the South of Israel.

Several times she shared that one of the most exhilarating moments of her life was during her training when she received that gun, so she could finally defend herself as a proud Jewish woman. Since then, until the present time she has had to endure every single Arab attack or war inflicted by Islamic Jihad.

And here I am - alive - to share with you this one little episode of our sad history.

Knowing your stout defense of the Second Amendment, I have no doubt that if a heinous barbarism by the monster Jihadists, such as (G-d forbid) beheading your baby in front of you, torturing, burning your child alive, raping your daughter, cutting your pregnant wife's belly and killing her fetus, abducting your family member and parading him or her on Gaza streets, or decapitating, slaughtering your friends' children while they slept, you would have reacted the same way. I believe you would have wanted to eradicate this lethal poison from the face of the earth, in the same way you desire to eradicate bioweapons and those who are responsible for them!!!

*Now that millions of illegals pour into our own America – estimating that thousands of whom are from Arab / Muslim countries, and it's alleged that they form terror cells here in the US - all of us may be targets of these subhuman beasts. Did you know that an estimated 90% of mosques in the US are funded and supported by Muslim Brotherhood/Hamas, CAIR and other Jihadist organizations? Their ideology has nothing to do with the Globalists' agenda. It has everything to do with Islamic political ideology; and, in this case, **the Hijra - migrating for the sole purpose of taking over**. It has everything to do with deeply embedded Islamic supremacy.*

*Now, ever since October 7, Jews in the West are instructed to hide and conceal their identity. Jews are physically attacked at various Ivy League universities and in the streets. Demands to exterminate Jews are now echoed in Europe, in the US and in other parts of the world.*

*Quran's declaration that Allah send Mohammed with the TRUE Religion to RULE over all other religions, has nothing to do with Globalism. It has everything to do with Islam's supremacist political ideology, which is deep-seated in every born Arab. Ask ex-Muslims, such as Dr. Wafa Sultan, Dr. Tawfik Hamid, Brother Rachid, Son of Hamas, and others who left Islam.*

*As the saying goes; first take care of your own domain. If you guys care so much about humanity, as you say you do, why is it that you do not raise your audience's awareness of the Jihadists' brutal extermination, killing, slaying, torturing of innocent Christians ALL OVER the world? This is a Religious War - a War that is enforced on non-Muslims (especially Jews and Christians) by Islam's political ideology. How about you inviting experts, such as Raymond Ibrahim, to discuss this horrifying topic of Jihadists' extermination of Christians? Other suggested speakers: Son of Hamas (Mosab Hasan Youssuf), Brigitte Gabriel, Robert Spencer, Bill Warner, to name a few.*

*Related to the IDF response, I would like to repeat the famous statement made by Golda Meir: "If the Arabs put down their weapons today, there would be no more violence. If the Jews put down their weapons today, there would be no more Israel."*

*I will end with an adage by our Jewish Sages from Jewish Midrash (Commentary):  
“He who is compassionate to the cruel ends up being cruel to the  
compassionate.” I hope I’ve provided you some food for thought, Rachel”*
